Rear Villa For Retirees or Over 55's

Behind a secure gate you will find this delightful villa situated on a spacious piece of land. The villa itself is low maintenance and features an open plan living and meals area with access to the outdoor entertaining area and garden area.

The kitchen has electric cooking with lots of cupboard space and boasts two pantry's and the mirrored robes in both bedrooms mean that your storage needs are met.

There is a single carport but heaps of space for a second car or caravan.
