A Great Location for your Family!

Located in a sought after tree lined street is this 1980s built four bedroom two bathroom family residence on a 685 sqm block of land. With loads of living space (lounge+dining+family room+meals area), an outdoor entertaining area facing north, a double garage, front courtyard off the lounge room, a good size backyard and overall a great sense of space this is ready to move into or rent out.

Priced at land value with the house as a bonus, this home offers options of building now or rent and build later or it is priced to move into now and renovate over time.
