A Family Home on a 961 sqms of Land

This 1986 built home on a 961 sqm duplex potential block is a rare find today. With four bedrooms, 2 bathrooms, lounge, dining and an open plan family room opening onto a covered courtyard and huge backyard, this comfortable, light home has a great sense of space. Located near well regarded schools, shops and transport, this home has everything, including the option of redeveloping the site.
