## All Renovated and Ready to Move Into!

This north facing two bedroom one bathroom townhouse has recently had the kitchen and bathroom freshly renovated and is ready for you to move in. The kitchen has stainless steel appliances including a gas stove, all the bedrooms are spacious with air-conditioning in the master bedroom. This light and bright home has a private front courtyard and back courtyard, great for entertaining. With a low maintenance garden, store room, parking for two cars and located near everything, this property is one that you should see before it gets snapped up! Contact Bill McKenzie with any enquiries.
