Location+Size+Style

This gorgeous townhouse perched on top of the hill in a cul-de-sac overlooking Miles Park in a quiet location is just what you are looking for. Tastefully decorated with an awesome kitchen with stainless steel appliances, dishwasher, breakfast bar, perfect for the entertainers.

The kitchen/ family room is open plan opening out to a generous outside entertaining alfresco area.

Just off the entrance hallway opposite the shoppers entry to the double auto garage is the office or 4th bedroom.

Upstairs the quality extends to a spacious main bathroom with the latest in tiled design and porcelain basins and full bath with separate shower.

The main bedroom is huge with walk in robe and stunning ensuite.

The other two bedrooms are big, at least queen size with built in robes.
