Embrace the modern life with ultra-modern appliances that'll leave you in awe, and let's not forget about the high-quality fixtures and fittings that add a touch of elegance. But wait, there's more ? this beauty is nestled just a mere 20 metres from the tranquil river shoreline in the highly sought-after suburb of Salter Point.

Picture this: an open-plan kitchen featuring a sleek scullery, seamlessly flowing into the living and dining areas. And oh my, those floor-to-ceiling windows are your ticket to the most breathtaking river views you've ever laid eyes on. Can you imagine waking up to that every day?
