Awesome family home in Port Kennedy!

Light and bright with a lovely fresh feel, this home has a very family friendly floor plan with two large separate living areas and the master bedroom set privately to the front of the home, well away from the minor bedrooms.

Ducted reverse cycle air conditioning ensures your year round comfort and for the ultimate in home security, every door and window is fitted with roller shutters with a security screen to the front door

Features:

* 4 bedrooms

* 2 bathrooms
