Feels Like Home

Lovely four-bedroom, two bathroom home with a large yard area.

As you enter the property, you will be welcomed into the formal lounge. The house features a compact kitchen with overheads for extra storage, a laundry again with storage space and built-in robes in all four bedrooms.

Features include:

- Four Bedrooms all with built-ins
- Two Bathrooms
- Air conditioning
- Roller shutters and security screens for added security and privacy
- Side access, which allows for easy entry and exit for vehicles and boats
